Mr. Denis Prcic
Chairman, Board of Trustees
American University in Bosnia and Herzegovina
Fra Andela Zvizdovića 1,
71000 Sarajevo,
Bosnia and Herzegovina

Dear Mr. Prcic:

As a member of the Congressional Caucus for Bosnia in the U.S. Congress, I am writing to express my strong support for the American University in Bosnia and Herzegovina. The American University in Bosnia and Herzegovina is laying the foundations for a more peaceful and prosperous country and region.

The University is one of the keys to helping Bosnians understand that America cares deeply about their country. I am confident that your students' exposure to America, through your programs, will help form an even closer relationship between our countries.

I thank you and your University faculty and staff for the work they do. With the high quality of education you provide, as one of the best Universities in Eastern Europe and the Balkans, I have no doubt that the men and women coming out of your University will be the future leaders of Bosnia.

I wish you continued success in educating Bosnia's future leaders and I look forward to working with the University in the future.

Sincerely,

Sue Myrick
Member of Congress
