Dear Denis:

Thank you for stopping by my office during your recent visit to Washington, DC, it was great to see you again.

I appreciate your efforts in working to provide an affordable education for a new generation of Bosnian youth. As I recall from my last visit to Bosnia in July, the students I met with at the University spoke with great passion about creating a better workforce for the future economic development of Bosnia.

Again, thank for meeting with me and do not hesitate to contact me if I ever may be of assistance.

Sincerely,
